5 PROPOSED DIVERSION OF PUBLIC FOOTPATH D79

Report No.110/2023 was introduced by Stuart Crook, Highways Asset Management and Policy Manager.

The application was submitted on 27th of September 2021 by John Gregory of Wright Hassall on behalf of Whissendine Farms Limited to divert part of public footpath D79 in the parish of Whissendine.

The application was made under section 119 of the Highways Act 1980 (the 1980 Act), which gave the highway authority (Rutland County Council) the power to make orders to divert footpaths, bridleways, or restricted byways in the interests of the owner, lessee, or occupier of land where it was expedient.

It was clarified during debate to Members that it was the Highways Authority responsibility to maintain all services of highways including footpaths where naturally occurring vegetation grew.

The recommendations of Report No. 110/2023 were moved by the Chairman and seconded, upon being put to the vote, with eleven votes in favour the motion was unanimously carried.

RESOLVED

That the Committee:

- a) **APPROVED** the application to divert public footpath D79 and authorised legal services to make an order under section 119 of the Highways Act.

7a 2022/0254/FUL

Joe Mitson, Planning Officer, introduced the application and gave an executive summary, recommending approval subject to conditions outlined in the report.

Prior to the debate the Committee received deputations from Steve Machen who spoke as a member of the public supporting the recommendation, Kevin Atkinson who spoke as a member of Morcott Parish Council and Councillor Andrew Johnson who spoke as a Ward Member.

Through questioning, it couldn't be confirmed if the pub had been put on the market for sale previously. Members felt that further evidence of marketing would help with their decision making.

It was confirmed by officers in Planning Policy that the number of dwellings proposed on the application did not meet the threshold for the need to provide affordable housing.

Members were concerned with the impact of removing a community facility from the village.

Officers explained to Members that with the comments made around the marketing of the pub, where an application like this would be assessed by officers, it would be expected to ask for marketing when a pub had been vacant for 12 months, the White Horse Inn had been vacant for over 10 years.

It was moved by Chairman and seconded that members agreed with the officers recommendation. Upon being put to the vote, with 5 in favour and 6 against, the motion was lost.

It was moved by Councillor West and seconded that the application be deferred and for it to be brought back to a future meeting. The reasons for deferral were:

- To provide further evidence of the marketing of the pub over the past 12 months, the levels of that marketing and if any interest was received.

This was seconded and upon being put to the vote, with 5 votes in favour and 5 against, the Chair had the casting vote, the Chair voted in favour of the deferral to make it 6 votes in favour and 5 against, the motion was carried.

RESOLVED

- a) That planning application 2022/0254/FUL be **DEFERRED** to a future meeting.
