Welcome to the Rutland Health and Wellbeing Board.

I was newly elected to Rutland County Council in May 2023 and was confirmed as the new Portfolio Holder for Adult Care and Health at Annual Council on the 22nd May 2023.

I have previously worked as a Specialist Cardiothoracic Nurse and Senior Hospital Manager but I now teach undergraduate and postgraduate Business, Management and Healthcare in Birmingham.

Having been a frequent visitor for the past 30 years, my dream of moving to Oakham was finally achieved three years ago. My interests include the economic development of both Rutland and Oakham and the health and wellbeing of its residents. I am a keen traveller; I help to support a family business in Madagascar and am a vociferous reader.
