Appendix A

The 4 BCF **national conditions**:

- Plans to be jointly agreed by the ICB and the local government chief executive prior to being signed off by the HWB.
- Implementing policy objective 1
- Implementing policy objective 2
- Maintaining NHS contribution to adult social care and investment in NHS commissioned out of hospital services.

The **priorities**:

- Improving discharges
- Reducing pressure on emergency and acute care and social care
- Supporting intermediate care, unpaid carers and housing adaptations

The **vision** for BCF for 2023-25 is to support people to live healthy, independent, and dignified lives through joining up health, social care and housing services seamlessly around the person.

The 2 core BCF **objectives** which underpin the vision:

- enable people to stay well, safe and independent at home for longer.
- people have the right care at the right place at the right time.

There are also specific **Rutland Priorities**

- Unified Prevention
- Holistic health management in the community
- Hospital flows
- Enablers.
