

Rutland County Council Task and Finish Groups

The Broad Topic Area:

Public Transport

The Specific Topic Area:

To review home to school, special needs and public transport in Rutland to ensure the Council's contribution to each of these is achieving value for money and the transport needs of Rutland residents are provided for

Our Ambition:

- To understand where RCC is financially supporting transport; the take up of this transport; demand for transport and therefore;
- to improve the value for money RCC achieves for its investment in transport by exploring alternative means of provision

Who and How We Shall Consult:

- Members of the public;
- Town and parish councils
- CAB
- VAR
- Schools
- Transport providers

Expertise Needed (Internal/External):

- Transport advisors (to help us understand the complexities of public transport provision)
- Council officers (to explain what transport is subsidised by RCC and the complexities of provision from their perspective)
- CAB/VAR (to give a user perspective)

Other help e.g. training, resources:

- Briefing of the various aspects of transport provided by RCC and the legislation under which that transport is provided

Length of Time Needed:
