

We are not looking to provide 24hour cover but depending on the makeup of the tenants there will need to be significant cover in place to deal with premises issues, tenancy disputes, direct support etc. It is advisable to provide the following staffing structure for year one at least to ascertain need and complete a review 6 months into the first year of the project.

- 5 x bedded unit with 1 x staff bed
- Criteria for tenants not yet defined but primary focus will be on vulnerable 16 – 24 year olds who are not able to live independently and require supported accommodation. Young people defined as looked after or care leavers will be given priority.
- Team 2 staff will provide basic cover between the hours of 9am – 5pm, Monday – Friday.
- 5 staff to ensure cover for annual leave/ sickness and appropriate breaks between sleep ins – see table below.
