

Appendix 6 Standards and Quality Assurance Commitment

The School Improvement Strategic Plan will remain committed to ensuring that the support provided to educational settings and schools by officers and other identified professionals is of high quality, works to recognised standards and has effective and appropriate impact in Early Years settings and schools.

Measures in Place for 2014

The following Quality Assurance measures are in place for 2014:

- i. School Officers
 - Annual performance management cycle by designated line manager;
 - 1:1 meetings with their line managers;
 - Monitoring of contribution and impact at Strategy Meetings and/or Schools Causing Concern meetings;
 - Monitoring of written reports to schools and their Governors by Officers and Operational Managers;
 - Evaluation of Professional Development activities.
- ii. National (NLE) and Local (LLE) Leaders in Education
 - Accredited by the National College of Teaching and Learning;
 - School leadership experience;
 - Support coordinated through local authority strategy meetings;
 - Contribution to IEB performance;
 - Monitoring of planning, actions and impact by school officer.
- iii. School Role in Monitoring Quality
 - Governing Body accountability processes;
 - School-based quality assurance measures;
 - Monitoring and reporting to the Local authority including to Schools Causing Concern and Strategy meetings.
