ADDENDUM REPORT

Report no.	Item no.	Application no.	Applicant	Parish
172/2023	1	2022/0647/MAF	MR N BULLIMORE	GREETHAM

Amended Condition:

Condition 1 listed in the main report should be amended to read as follows:

The development hereby permitted shall be begun before the expiration of three years from the date of this permission. Written notification of the date of commencement shall be sent to the Mineral Planning Authority within seven days of such commencement. Notwithstanding this no extraction of mineral shall commence on this site until extraction operations have permanently ceased at the applicant's Woolfox Quarry (application reference 2016/0199/MAJ).

Reason: In the interest of clarity and to comply with Section 91 of the Town and Country Planning Act as amended by the Planning and Compulsory Purchase Act 2004, and because the assessment of impacts in relation to this proposal has been undertaken on the basis that operations at Woolfox Quarry will have ceased.
