5 SEND RECOVERY PLAN

A report was received from Louise Crookenden-Johnson, SEND Capital Programme Manager. During the discussion, the following points were noted:

- There would be a deficit of £1million to be carried forward into 2022/2023.
- The SEND Recovery Plan was distributed to attendees to highlight progress to date.
- An updated Education Inclusion Partnership (EIP) plan was distributed to attendees which detailed issues that had arisen along with any identified solutions. New additions to the plan were highlighted in yellow.
- The Task Group has been trying to identify how best to use the SEND resources.
- An initial action plan had been created and would be presented to the SENCO's to further discuss as a whole county approach.
- There had been an uplift in the number of children at KS3 in secondary schools who were presenting with mental health issues, which was putting them at risk of exclusion. The numbers were unprecedented and schools were finding it more difficult to support them with the resources that they had.
- The mental health issues were being displayed as difficult behaviour. It was suggested that schools highlight these cases at an early stage for EIP action.
- The Schools' Forum agreed to utilise the SEND Recovery Plan resources primarily on helping schools' inclusionary practice at an early stage when issues arose, particularly in Primary Schools and Early Years settings as less resource was dedicated in the plan for Secondary Schools.
- This approach may need to be re-examined if the numbers at risk of exclusion were rising at Secondary, since finding alternative placements was at a much higher cost if children's needs escalated and they had to move education places in KS3 or 4.

6 EARLY YEARS WORKING GROUP: UPDATE

A verbal update was received from Kathryn Pullan, PVI Early Years representative. During the discussion, the following points were noted:

- The Early Years Working Party had met with Andrew Merry, Finance Manager to discuss funding.

- Most centres were making a loss due to the increases in running costs, wages etc.
- The sector was looking at ways of increasing funding from Central Government.
- Establishments could only afford to pay the minimal wage so it was difficult to recruit good, motivated staff, who saw the job as a future profession/career.
- It was suggested that Early Years' representatives could be involved in the career days held within secondary schools. Kathryn reported that she would be more than willing to give a career talk to pupils in any secondary schools. Contact Kathryn Pullan (Email beltonpreschool@btconnect.com)

7 SEND NEEDS ASSESSMENT

Report No. 47/2022 was received from Bernadette Caffrey, Head of Early Help, SEND and Inclusion. During the discussion, the following points were noted:

- The SEND Needs Assessment document was updated in January 2022 and was specific to Rutland.
- Full details of the SEND Local Offer can be found on the Council's website: <https://ris.rutland.gov.uk/kb5/rutland/directory/localoffer.page?newlocalofferchannel=0>
- The SEND Needs Assessment would link in with the Joint Strategic Needs Assessment (JSNA) and the Joint Health and Wellbeing Strategy (JHWS), both of which were currently being updated.
- The LLR SEND Commissioning Strategy Delivery Group were working together to produce a 5-year profile of need.
- The Delivery Group had been reviewing the results and outcomes of the first year to identify a new set of priorities for Year 2 with a focus on effectiveness of the Parentship system.
- The identified priorities would be included in the SEND Recovery Plan and moving forward would be reported on as part of that update.

8 ANNUAL REVIEW OF THE SCHOOLS' FORUM MEMBERSHIP

- The membership of the Schools' Forum would be reviewed at the next meeting.
- It was noted that there were a number of vacancies within the Schools' Forum, namely a representative for Academies (Governors) and deputy representatives for Trade Unions, Academies and Post 16 Provision.
- Any suggestions for representatives or changes to membership should be sent to Gill Curtis (gcurtis@rutland.gov.uk) or Jane Narey (governance@rutland.gov.uk).

9 ANNUAL SCAP RETURN
