This syllabus does not prescribe in the same detail what to teach and when as previous the previous syllabus. This allows schools to plan and teach to their individual needs and circumstances. Teachers should consider the religious experience of the pupils in the classroom and the whole school when planning which religions to look at and in which order. Each Key Stage builds upon the one before, so by the time pupils reach the end of KS3, they should have had the opportunity to receive a broad, inclusive religious education.

Our Agreed Syllabus allows for the planning of high quality learning experiences through an enquiry-based model using a range of pedagogies. Throughout the RE curriculum pupils should be encouraged to **explore** religions, **engage** with their knowledge, and **reflect** on their learning and their lives. This should be reflected in a schools planning of their RE curriculums.
