- Scrutinising the Statement of Accounts prior to approval
- Approving a project management framework for use in delivering key projects in January 2018
- Undertaking a lessons learned review into the Children’s Centre and library project in August 2017
- Reviewing details of a service provider fraud in respect of public health and ensuring adequate arrangements were in place to avoid reoccurrences

5. Audit Committee effectiveness review

The Committee originally planned to review its effectiveness in 2018, however with various changes to the membership of the Committee, this review was deferred.

6. Conclusion

The Committee was able to confirm:

- That the system of internal control, governance and risk management in the authority was adequate in identifying risks and allowing the authority to understand the appropriate management of these risks.
- That there were no areas of significant duplication or omission in the systems of internal control, governance and risk management that had come to the Committee's attention, that had not been adequately resolved or were in the process of being resolved.

The Committee's conclusion is based on assurance gained from its own work and the work of Internal Audit and External Audit.
