

QUESTIONS FROM MEMBERS OF THE COUNCIL

MEETING: COUNCIL – AGENDA ITEM 7

MEETING DATE: 8 NOVEMBER 2021

No.	Questioner	Question addressed to
1	Councillor A MacCartney	Councillor K Payne Portfolio Holder for Finance, Governance and Performance, Change and Transformation
<p>Question:</p> <p>Would the Portfolio Holder for Finance please provide details of the nature of RCC's investment holdings (both pension funds held through LCC, and other investments) and particularly whether these holdings are managed to emerging accepted standards of environmental and social governance. I.e. in light of the COP26 conference last week, are we investing in both an environmentally sustainable and ethical manner or are we investing in unsustainable and polluting funds or companies?</p>
