1	Councillor William Cross	Councillor Oliver Hemsley, Leader of the Council

DETAILS

With reference to the outline planning application received for the proposed development at Quarry Farm and the agreement to gift the 650 house allocation to South Kesteven District Council (SKDC), I would therefore like to ask:

- a) Does the Leader acknowledge he and certain others entered into an agreement to gift the 650 house allocation to SKDC without the full and open knowledge being shared with and agreed by all Rutland County Councillors at the time of said agreement?
- b) Could a full and open briefing be given on the current state of the reclaiming of the 650 allocation from SKDC and also the advice provided to date by our legal advisor/s.
- c) What are Rutland's legal responsibilities should SKDC or any other partner not fulfil any part of their responsibilities under this proposed joint development?
