- 5) Share success and learning to make improvements cross-organisationally for the wider benefit of Rutland.
- 6) Be evidence led, open and transparent in the way that the Board carries out its work, using local data and intelligence, and listening to service users/patients and the public, and acting on what this tells us.
- 7) Represent Rutland at LLR, regional and national platforms to ensure Rutland's voice is heard.

5. Position within wider governance

The Board will coordinate its work with that of the system-level LLR Integrated Care Partnership (the Health and Wellbeing Partnership), the former fulfilling the responsibilities of 'place' (Rutland) and the latter of 'system' (Leicester, Leicestershire and Rutland).

There will be two permanent sub-groups of the Board:

a. Children and Young People's Partnership (CYPP):

Responsible for the development and improvement of services for children and young people 0-19 years, (and to the age of 25 years for some vulnerable young people), overseeing the delivery of the agreed vision and priorities of the Children, Young People and Families Plan.

b. Rutland Integrated Delivery Group (IDG):

The Terms of Reference for each of these sub-groups is attached [to follow].

Revised March 2022
