

Section 4. Collective Worship

How effectively does the SACRE fulfil its responsibilities for the provision and practice of Collective Worship?

Maintained schools are required to provide a daily act of Collective Worship for every pupil. In community schools not having a religious foundation, the acts of CW should be “wholly or mainly of a broadly Christian character”, without being distinctive of any particular denomination. Part of a SACRE’s role is to support the effective provision of CW in community schools and to advise the LA on issues related to provision and quality. It must also consider applications from headteachers in community schools that the requirement for CW to be wholly or mainly of a broadly Christian character be disapplied for some or all of the pupils in that school. SACRE ‘determines’ the appropriateness of that application and grants a ‘determination’ to those schools where the application is judged to be in the best interests of the pupils. All pupils in schools with determinations continue to have an entitlement to daily CW.

CW can be a rich and rewarding element of the curriculum as a whole and SACREs have the opportunity to enhance its quality by offering appropriate guidance and support.

Key Area:4a – Supporting pupil entitlement		
<i>What strategies are in place to enable the SACRE to support the delivery of pupil entitlement in the LA’s schools?</i>		
Requires improvement/struggling A SACRE in this position would:	not have any knowledge regarding the provision of CW nor have any mechanism in place to gain such knowledge.	<input type="checkbox"/>
Developing A SACRE with developing practice would:	be unaware of the issues facing schools in providing CW as part of the pupil entitlement. Provide little advice or support towards fulfilling pupil entitlement to CW.	<input type="checkbox"/>
Established A SACRE with established practice would:	understand local issues of delivering pupil entitlement and of the challenges schools face in providing CW. Provide some advice in support of delivering pupil entitlement. Seek to ensure that schools had access to, and advice on, appropriate resources for the delivery of CW.	<input type="checkbox"/>
Advanced A SACRE with advanced practice would:	have a balanced and realistic overview of provision and its challenges across the LA. Provide or arrange for systematic support and guidance for schools experiencing difficulty in delivering pupil entitlement. Obtain feedback from schools to evaluate the impact of advice and support. Periodically review its strategies for supporting pupil entitlement.	<input type="checkbox"/>
Where are we and where do we find evidence to support this?		

Key Area: 4b – Enhancing the quality of provision of collective worship		
<i>How does SACRE seek to influence the quality of collective worship in the LA's schools?</i>		
Requires improvement/struggling A SACRE in this position would:	not be able to influence the quality of CW due to lack of support either from the LA or CW/RE professional. Have no knowledge of what good quality CW in schools looks like.	<input type="checkbox"/>
Developing A SACRE with developing practice would:	not be adequately supported by the LA / RE professional to promote quality provision of CW. Have agenda items about CW dominated by the issue of how SACRE obtains data. Have little understanding of the nature and potential of CW and of what effective provision in each school might be.	<input type="checkbox"/>
Established A SACRE with established practice would:	have occasional agenda items on CW, with some insight into how it is being delivered in the LA's schools. Understand what effective provision is, but SACRE members have little 'hands-on' experience of CW. Promote in-service support for teachers with responsibility for CW. Advise on enhancing quality of provision.	<input type="checkbox"/>
Advanced A SACRE with advanced practice would:	have a good overview of quality of provision across the LA, with information from the LA and from presentations by schools. Have first-hand experience of CW in schools. Disseminate good practice in consultation with schools and teachers. Sponsor an ongoing programme of in-service development, and assist schools in evaluating and enhancing the quality of their provision.	<input type="checkbox"/>
Where are we and where do we find evidence to support this?		

Key Area: 4c – Responding to requests for determinations		
<i>How robust are SACRE's procedures for responding to requests from schools for a determination?</i>		
Requires improvement/struggling A SACRE in this position would:	not have any understanding of what a determination is. Have no documentation for schools to use to make application for a determination.	<input type="checkbox"/>
Developing A SACRE with developing practice would:	have had little or no experience of any requests for a determination, and have given at most only minimal attention as to how it might respond to such a request, due to a lack of support provided to SACRE by the LA via a professional officer. Found unprepared and at risk of making an unsound decision or giving erroneous advice by a request for a determination.	<input type="checkbox"/>
Established A SACRE with established practice would:	be aware that schools have the option of requesting a determination, and that SACRE has a major role in this process. Have provided some training to its members regarding determinations, either directly through working on earlier requests, or through specific elements in developmental sessions. Responds in an adequate but piecemeal fashion, when requested for a determination, without a systematic overview of this area of work.	<input type="checkbox"/>
Advanced	be fully equipped for responding to requests for determinations, with a good understanding of SACRE's responsibilities. Have a well-established and effective framework for responding to requests, with which	<input type="checkbox"/>

A SACRE with advanced practice would:	members are familiar and comfortable. Meet a request with a judicious and well-informed appraisal of the request by SACRE, leading to a sound decision communicated clearly to the school in a context of ongoing advisory support. Periodically review all existing determinations together with keeping the guidance from the RE professional.
