DECISION RECOMMENDATIONS

That the Committee:

1. Notes the process to be followed to develop the risk based Audit Plan for 2023/24.
2. Highlights areas for consideration for the 2023/24 for the Audit Plan to the Chair of the Audit and Risk Committee and the Chief Internal Auditor.

1 PURPOSE OF THE REPORT

- 1.1 To inform the Committee on the process to be followed in developing the Internal Audit Plan for 2023/24. To also invite the Committee to highlight any areas where assurance is required from the Internal Audit team during the next financial year.

2 BACKGROUND AND MAIN CONSIDERATIONS

Internal Audit Plan

- 2.1 The Internal Audit Plan sets out the assignments that will be delivered by the Internal Audit team during the financial year. In accordance with the Public Sector Internal Audit Standards (PSIAS), the Audit Plan should be risk based and developed with input from senior management and the Audit Committee.

- 2.2 In order to ensure that the Audit Plan for 2023/24 addresses the Council's key risks and adds value, the Chief Internal Auditor intends to identify and prioritise the areas for coverage by:
- Reviewing the Council's Risk Registers and Corporate Plan;
 - Identifying any other sources of assurance for each of the Council's key risks, which may reduce the added value of an Internal Audit review;
 - Analysing coverage of Internal Audit reviews over the last five years and the assurance opinions provided following each review, to identify any gaps or areas where follow up work would be of value;
 - Reflecting upon outcomes of audit work, risk reviews and Council performance in the last year;
 - Identifying any areas of the Audit Universe which have not been subject to Internal Audit review during the last four years; and
 - Seeking input from Senior Management on key risks and emerging risk areas for the year ahead and also any areas where Internal Audit support would be beneficial either in an assurance or consultancy role.
- 2.3 Members of the Audit and Risk Committee are invited to raise any areas where assurance from Internal Audit is sought during 2023/24 for risk assessment and prioritisation in the development of the Audit Plan.
- 2.4 The draft Audit Plan will be presented to the Audit and Risk Committee in March 2023 for final refinement and formal approval. The Plan will then remain open to ongoing review and amendment throughout the financial year to respond to any changes in risk and emerging issues.
