DECISION RECOMMENDATIONS

That the Panel consider the Business Plans and make any comments or proposed additions or amendments to the report that will be considered as amendments to the current version of the report;

1 PURPOSE OF THE REPORT (MANDATORY)

- 1.1 The purpose of this report is to bring to the attention of the Rutland People (Adults and Health) Scrutiny Panel the Business Plan 2016/17 for the Leicestershire and Rutland Safeguarding Adults Board (LRSAB). This is brought for consultation and comment.
- 1.2 The Business Plan will have been considered by the LRSAB at its meeting on 29th January 2016 with final sign off anticipated to be secured at their meeting on 15th April 2016. We wish to provide the Scrutiny Committee with the opportunity to comment at an early stage so that any proposed additions and amendments proposed can be considered by the Boards at their meeting in April.

2 BACKGROUND AND MAIN CONSIDERATIONS

- 2.1 The LRSAB became a statutory body on 1st April 2015 as result of the Care Act 2014. The Act requires that the SAB must lead adult safeguarding arrangements across its locality and oversee and coordinate the effectiveness of the safeguarding work of its member and partner agencies. It requires the SAB to develop and actively promote a culture with its members, partners and the local community that recognises the values and principles contained in 'Making

Safeguarding Personal'. It should also concern itself with a range of issues which can contribute to the wellbeing of its community and the prevention of abuse and neglect, such as:

- the safety of people who use services in local health settings, including mental health
- the safety of adults with care and support needs living in social housing
- effective interventions with adults who self-neglect, for whatever reason
- the quality of local care and support services
- the effectiveness of prisons in safeguarding offenders
- making connections between adult safeguarding and domestic abuse.

These points have been addressed in drawing up our Business Plan for 2016/17.

2.2 SABs have three core duties. They must:

- develop and publish a strategic plan setting out how they will meet their objectives and how their member and partner agencies will contribute
- publish an annual report detailing how effective their work has been
- commission safeguarding adults reviews (SARs) for any cases which meet the criteria for these.

It is the first of these duties to which the Business Plan relates since this plan essentially outlines our strategy for improvement.

2.3 The Annual Report of the LRSAB was considered by the Rutland People (Adults and Health) Scrutiny Panel in September 2015 and an opportunity to influence emerging priorities for the new Business Plan for 2015/16 was also provided. The views expressed by the Committee at that stage were fed into the formative process for the Plan and are reflected in the final versions of the Plans which are attached as appendices A and B.

2.4 As in 2015/16 the LRSAB has formulated an individual business plan supplemented by a plan that addresses priorities it will share with the Leicestershire and Rutland Local Safeguarding Children Board (LRLSCB). This is intended to secure a balance between achieving a strong focus on adult safeguarding issues and recognising that some safeguarding matters require approaches that cross-cut children and adult services and focus on whole family issues.

2.5 The future improvement priorities identified in the Annual Report 2014/15 have been built into the Business Plans for 2016/17. In addition to issues arising from the Annual Report the new Business Plans' priorities have been identified against a range of national and local drivers including:

- national safeguarding policy initiatives and drivers;
- recommendations from regulatory inspections across partner agencies;
- the outcomes of serious case reviews, serious incident learning processes, domestic homicide reviews and other review processes both national and local;

- evaluation of the business plans for 2015/16 including analysis of impact afforded by our quality assurance and performance management framework;
- best practice reports issued at both national and local levels;
- the views expressed by both service users and front-line staff through the Boards' engagement and participation arrangements.

2.6 The new Business Plan has been informed by discussions that have taken place in a number of forums since the autumn of 2015. These include:

- the annual Safeguarding Summit of chief officers from partner agencies held on 13th November 2015;
- meetings of the Scrutiny Panels in both Leicestershire and Rutland at which both the annual report 2014/15 and future priorities for action have been debated;
- meetings of the Leicestershire and Rutland Health and Well-Being Boards at which both the annual report 2014/15 and future priorities for action have been debated;
- discussions within individual agencies

2.7 Business Plan priorities were considered by the Rutland People (Adults and Health) Scrutiny Panel in September 2015. This was done electronically rather than through the meeting that month. As stated above all the issues raised as a result of this opportunity for comment have been incorporated into the draft Business Plan attached.

2.8 The proposed strategic priorities, priority actions and key outcome indicators set out in the new Business Plans were formulated through the annual development session of the two safeguarding boards held on 25th November 2015.

2.9 We have adopted a new approach to our business planning this year moving away from the five strategic priorities that have been in place for the last three year and focusing on areas that we have identified as priorities for development and improvement. At the Development Day Board members identified areas in which we had reached good levels of performance and agreed that these would not be included in the Business Plan but rather monitored through a core quality assurance and performance management framework to ensure performance remained at levels judged to be good or better. By focusing the Business Plan on areas identified for improvement we also hope better to target work on a reduced number of priorities in recognition of the need to be SMART at a time of increasing pressures on capacity.

2.10 There are two Business Plans being presented to the Scrutiny Panel. The first is that which relates specifically to the LRSAB. This is attached as Appendix A. The second is a plan developed jointly with the LRLSCB and focuses on those areas that cross-cut children and adult services. This is attached as Appendix B.

2.11 The specific priorities that have arisen for the LRSAB are:

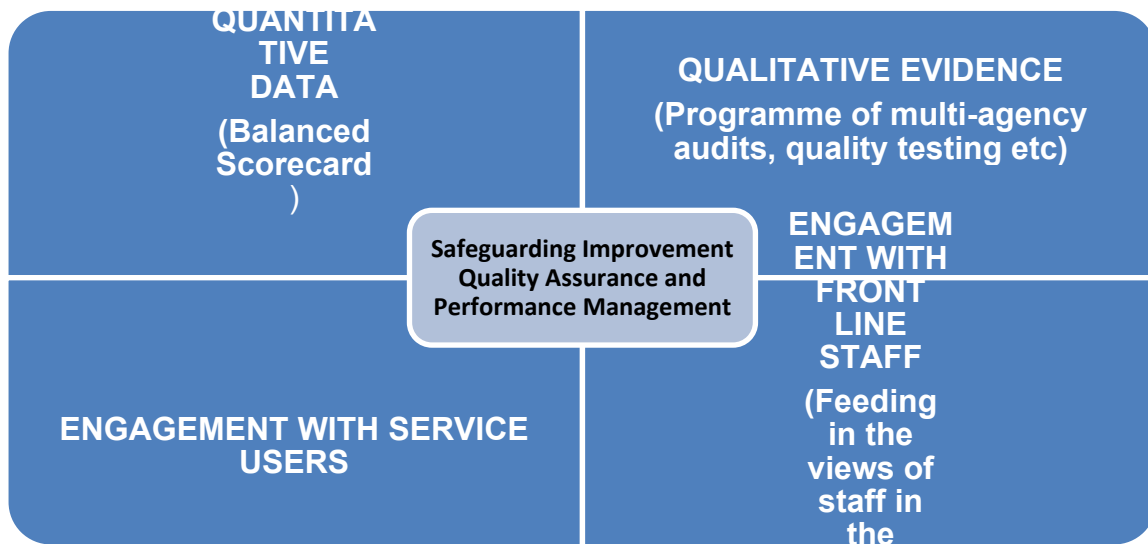

- Building Resilient Communities - that can safeguard themselves but know how to report risk when it arises
- Securing consistent application of safeguarding thresholds
- Championing and securing the extension of Making Safeguarding Personal across the partnership to improve service quality and outcomes for service users
- Assuring robust safeguarding in care settings – including health care at home, residential and nursing care settings
- Tackling neglect and omission

2.12 The priorities that have arisen for the part of the Business Plan shared with the LRSAB are:

- Domestic Abuse
- Reducing safeguarding risk arising from mental health issues – including monitoring of the implementation of the Mental Capacity Act and DoLS and its application to 16-18 year olds
- PREVENT

Consideration is also being given to whether, in the light of current international issues we should include a priority that considers safeguarding risks that may be faced by refugees. It would be helpful for the Scrutiny Panel to express a view on this area of consideration. Against each of these priorities the Boards are in the process of identifying key outcomes for improvement and the actions that will need to be taken over the next year to achieve these improved outcomes. These are set out in the draft Business Plans that are attached as Appendix A and Appendix B to this report.

2.13 The Quality Assurance and Performance Management Framework for the Board will be revised to ensure that it reflects the new Business Plan and enables ongoing monitoring of performance of core business that is not covered in the business plan. The final framework will be signed off by the Board at its meeting on 15th April 2015 but the Scrutiny Panel may wish to comment on specific indicators and evidence it would wish to include. Quality Assurance and Performance Management will continue to be framed around our 'four-quadrant' model as set out below:

2.14 A further change to our Business Plan this year is that against all priorities for action we will include cross-cutting themes that must be addressed both to strengthen safeguarding practice and also secure stronger evidence of impact for the quality assurance framework. The cross-cutting themes are set out in the grid below.

Priorities for improvement	Learning and Improvement drivers	Audit implications	User views and feedback	Workforce implications	Comms implications
Priority 1					
Priority 2					
Priority 3					

These cross-cutting activities will be agreed by those mandated to lead on each specific priority.

2.15 The views of a range of forums are being sought on the Business Plans. This includes the Cabinets, children and adult scrutiny committees and the Health and Well-Being Boards in both local authority areas.

3 ORGANISATIONAL IMPLICATIONS

3.1 Rutland County Council contributes £52, 250 to the costs of the LRLSCB (of a total budget of £335,525). In addition it contributes £8,240 to the costs of the Leicestershire and Rutland Safeguarding Adults Board (LRSAB) (of a total budget of £102,610).

4 CONCLUSION AND SUMMARY OF REASONS FOR THE RECOMMENDATIONS

- 4.1 It is recommended that the Scrutiny Panel consider the Business Plans and make any comments or proposed additions or amendments to the report that will be considered as amendments to the current version of the report;
