

Dear Chief Executive,

Here is our motion to support our request for a Special Council Meeting.

This Council's Cabinet has recently approved 2 major policy developments; Visions and Barleythorpe, without the issues being considered by the Council as a whole prior to the Cabinet decision. In light of this, and to facilitate the opportunity for members to consider major policy developments before decisions are made, we request;

- a) Scrutiny Panel meetings be increased to 10 per municipal year for each panel;
- b) The Forward Plan be for 6 months;
- c) The Forward Plan include a column indicating when, and which scrutiny panel will be considering each item; and
- d) This council reviews, with external support, how Scrutiny currently operates and makes recommendations for improvements to be implemented from Municipal year 2018/19.

Signed:

Cllr Marc Oxley
Cllr Oliver Bird
Cllr Gale Waller
Cllr Ben Callaghan
