| School / Academy | What does the school need to do to improve further? |
|-----------------------------|--|
| Brooke Hill Primary Academy | <ul style="list-style-type: none"> ● Raise the quality of teaching by ensuring that the school's marking policy is consistently applied by all staff and, therefore allows all pupils to understand how to improve their work and so make progress even more quickly. ● Improve pupils' understanding of other religions and cultures by providing more opportunities for pupils to experience and be aware of the diverse nature of our society. |
| Leighfield Primary Academy | <ul style="list-style-type: none"> ● Improve progress in mathematics to match that in English. In particular, help girls to develop more confidence in the subject, so that their progress matches that of boys. ● Make teaching outstanding, so that pupils make excellent progress, by eliminating any weaknesses in what teachers do, ensuring particularly that teachers always explain precisely what pupils should do when applying what they have learned in their work. |
| Uppingham Primary School | <ul style="list-style-type: none"> ● Improve the quality of pupils' writing by: <ul style="list-style-type: none"> - helping pupils to expand their vocabulary and encouraging them to use it more effectively in their writing - raising standards in spelling so that their writing is more accurate and easy to read. <p>Ensure that teachers check more regularly that all pupils are fully engaged in their work at all times, take a full part in class discussions and always respond positively to the teacher's suggestions and explanations.</p> |
